**TOMLOW RANGE LONG LEG**

Tomlow Range has been developed and improved from our original Class 1 C back cabin stove. The main body is steel with a cast iron top plate, hotplates, doors and smoke box. The generous oven is heated by an over top flue design and comes with 2 oven shelves. The firebox dimensions are 6"(w) x 9"(d) x 6"(h), they are firebrick lined with an air damper located on the ash pit door. Increased fire control is achieved with the butterfly damper located within the smoke box. Unnecessary heat loss is reduced by the use of high quality calcissar heat loss is reduced by the use of high quality calcissories: Ashpan, hotplate lifter. Finish: Matt Black. Weight: 93.5kg.
